

## 109. Stream

Let me be in His love  
Through day and night in His embrace  
Let every steps be in His path

And when I see through His love  
So heartwarming in His embrace  
Joy overflows my heart,  
cannot keep it alone

\*\* Let life be like the stream  
Let His glory shine within  
Declare the story  
Of His great love  
in my life forever
