

15. O, Lord prepare me

*Pre-prepare me Je-sus to be a sanctuary*

\*\*O, Lord prepare me to be a sanctuary.

*Pure and holy Tried and true*

Pure and holy Tried and true

With thanksgiving I wanna be a living.

Sanctuary for you

It was you Lord, who give the savior.

Heart and soul Lord, to every man.

It is you Lord, who know my weakness.

You refine me with thine own hand. /\*\*/

Lead me O'Lord through temptation.

You refine me from within.

Feel our hearts with your holy spirit.

And take all our sins away. /\*\*/
