There is, beyond the azure blue A God,
concealed from human sight
He tinted skies with heav'nly hue And framed
the worlds with His great might

There was a long, long time ago A God
whose voice the prophets heard
He is the God that we should know
Who speaks from His inspired word /**/

Secure is life from mortal mind God holds
the germ within His hand
Though men may search they cannot find For
God alone does understand /**/

Our God, whose Son upon a tree
A life was willing there to give
That He from sin might set man free
And evermore with Him could live /**/
