

76. Now I come to you

Humble my life now I come to you

Confess and seek thy shining face O Lord,

Cleanse my heart and make me whole O God,

Forgive all my transgression

** Then I know you will hear me from heaven.

And will forgive all my sins through Jesus Christ.

And will heal my land from all disease.

Weary heart I come to you,

With a weary heart I come to you Confess and

seek thy shining face, O Lord,

Cleanse my heart and make me whole O God

Forgive all my transgression. / ** /
