From the past, I remember your grace and your mercy.

You have given us this house

and commanded us to love one another and be united.

None of places to live like in your grace.

For you to lead us in each step that we take.

If someone is hopeless or get lost your house is welcome them.

No matter when, God's love for us will never change.

From now on I promise that I will serve and

I will love the Lord with all my heart , all my mind,

all my soul, and all my strength.

We will look after this house as much as you love us.
