

84. I Will Love And Adore

I want to see the God who remains in the time.,

I want to see the face of my beloved God

My desire is dwelling near and gaze

upon the beauty of the Lord

I want to sit beside the feet of Jesus Christ,

my Lord, Standing before the Lord who is my beloved

Only this day, with You that is better

than thousands elsewhere

** I will love and adore. Worship You.

I don't want to be far from Your face

I will love and adore. Worship You.

Staying here at Your feet, Jesus.
