

89. Tomorrow

Tomorrow....What are The things we'll find
Questions unanswered We just don't know
what The future has for us

Don't know....If we'll Find happiness
Or if we will be in pain It may not be as
The way that we have planned

Tomorrow if we'll be in the dark
May Christ lead us to Face the day And win just like today
Tomorrow if it'll be good or bad
I will not fear but I'll put my trust Let Jesus lead the way
