

96. Please give me the heart like yours.

If you look inside me deeply then you will see I have nothing good.
God please change my heart and forgive whatever wrong I have done.
Please give me the heart like yours.

Heavenly Father, please give me the heart like yours.
Please give me the new heart that surrender,
obey, and follow your will.

Please teach me to love and to forgive others like you do.

Please lead me by your holy spirit and lead every step that I take.
God please change my heart to be like yours.
